

APPENDIX G
Lewis-Mason-Thurston Area Agency on Aging
Statement of Assurances and Verification of Intent

For the period of January 1, 2016 through December 31, 2019, the Lewis-Mason-Thurston Area Agency on Aging (LMTAAA) accepts the responsibility to administer this Area Plan in accordance with all requirements of the Older Americans Act (OAA) (P.L. 106-510) and related state law and policy. Through the Area Plan, LMTAAA shall promote the development of a comprehensive and coordinated system of services to meet the needs of older individuals and individuals with disabilities and serve as the advocacy and focal point for these groups in the Planning and Service Area. LMTAAA assures that it will:

Comply with all applicable state and federal laws, regulations, policies and contract requirements relating to activities carried out under the Area Plan.

Conduct outreach, provide services in a comprehensive and coordinated system, and establish goals objectives with emphasis on: a) older individuals who have the greatest social and economic need, with particular attention to low income minority individuals and older individuals residing in rural areas; b) older individuals with significant disabilities; c) older Native Americans Indians; and d) older individuals with limited English-speaking ability.

All agreements with providers of OAA services shall require the provider to specify how it intends to satisfy the service needs of low-income minority individuals and older individuals residing in rural areas and meet specific objectives established by LMTAAA for providing services to low income minority individuals and older individuals residing in rural areas within the Planning and Service Area.

Coordinate planning, identification, assessment of needs, and provision of services for older individuals with disabilities, with particular attention to individuals with significant disabilities, with agencies that develop or provide services for individuals with disabilities.

Provide information and assurances concerning services to older individuals who are Native Americans, including:

- Information concerning whether there is a significant population of older Native Americans in the planning and service area, and if so, an assurance that LMTAAA will pursue activities, including outreach, to increase access of those older Native Americans to programs and benefits provided under the Area Plan;
- LMTAAA will, to the maximum extent practicable, coordinate the services the agency provides with services provided under title VI of the Older Americans Act; and

- LMTAAA will make services under the Area Plan available to the same extent as such services are available to older individuals within the planning and service area, to older Native Americans.

LMTAAA, in funding the State Long Term Care Ombudsman program under section 307(a)(9), will expend not less than the total amount of Title III funds expended by the agency in fiscal year 2000 on the State Long Term Care Ombudsman Program.

Obtain input from the public and approval from the LMTAAA Advisory Council on the development, implementation and administration of the Area Plan through a public process, which should include, at a minimum, a public hearing prior to submission of the Area Plan to DSHS/ADS. LMTAAA shall publicize the hearing(s) through legal notice, mailings, advertisements in newspapers, and other methods determined by LMTAAA to be most effective in informing the public, service providers, advocacy groups, etc.
